Re: Annual Report for the Years 1993 and 1994, Fluorine Queen, S/023/034, Juab County, Utah

Dear Mr. Thomas:

It has come to our attention that we failed to forward a copy of an annual report form for your Fluorine Queen mine, located in Juab County, Utah. This report is required to be filed by January 31st of each year under Rule R647-3-116 of the Division's Amended and New Rules, Minerals Reclamation Program, effective December 1, 1988. This report is required regardless of annual mine activity, unless you have received a written waiver or formal release from continued reclamation obligations from the Division.

We apologize for this oversight. Please complete the enclosed report forms for the years 1993 and 1994 and return them to this office by February 28, 1995. Thank you for your prompt attention to this matter.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
